PROVISIONS OF WAR.

No. 31354-1 (A O. 7).

Bombay, the 26th September 1918.

Alleged abductment of Indian soldiers and followers by the enemy while prisoners of war in East Africa.

Complaints having been made that certain Indian soldiers and followers while prisoners of war in East Africa have been subjected by the enemy to treatment involving violation of the laws and established usages of war, the Government of India have decided to record the statements of officers and others who are in a position to furnish information on the matter, in order that a report may be prepared regarding the truth or falsehood of these allegations.

The instructions which statements should be recorded in set out in the attached instructions.

Information as to the manner in which statements should be recorded is given in the alleged endorsement of Indian officers as follows:—

1. The manner of addition and delivery in India is possession of information concerning the subject matter of this inquiry will be maintained by the Local Government Standing Division and Independent Magistrate about the Local Government Administration within whose jurisdiction the said or other is stationed or residing. The Local Government or Administration will then arrange, in conjunction with the District Officer Commanding concerned, for the statement of the witness or witnesses to be recorded by a Magistrate or Judicial officer not below the rank of District Magistrate or District and Sessions Judge.

2. Local Government and Administration will obtain the names of witnesses residing within their jurisdiction who are in possession of information concerning the subject matter of this inquiry and will arrange for their statements to be recorded by a Magistrate or Judicial officer not below the rank of District Magistrate or District and Sessions Judge.

3. The names of witnesses, soldiers and others residing in Native States will be communicated to the Political Officer concerned, who, with the sanction of the District, will arrange to record their statements personally.

4. The statements of persons residing out of India will be taken in such manner as may be prescribed by the competent authority.

5. Witnesses will not be required to make their statements on oath, but Magistrates and others taking their statements will express upon them the necessity for care and precision in making their statements.

6. Every statement recorded will commence with the name in full, address, nationality, age and profession or occupation of the witness, and, in the case of a soldier or follower, his regimental number, rank, corps or department. Full particulars of the date of arrival in and departure from East Africa will also be stated, where applicable.

7. The statement should be recorded in the words used by the witness, and, when not made in English, it should be accompanied by an accurate translation in English.

8. A statement should be recorded when it may be of value as an independent confirmation of facts in regard to which direct testimony may be obtained from another source, or as substantiating facts independently obtained by other witnesses.

9. Soldiers, boys, clerks and other matter witnesses by persons who have some claim or who themselves cannot be made available may be included in the statements of the person from whom custody they come. The manner in which they come into the possession of the witness should be recorded.

10. When a witness makes a statement concerning personal injury or ill-treatment, which can be corroborated by a medical examination of the witness, independent examination should, if possible, be made by a medical officer, whose statement should also be recorded.

11. Magistrates and others recording statements should treat the evidence critically and as far as possible satisfy themselves by interrogating the witnesses that they are speaking the truth.

12. A witness who has been asked to sign his statement. A witness who cannot write should be asked to add his thumb impressions, which should be recorded by the District Magistrate or other officer recording his statement.

13. The District Magistrate or other officer recording the statement should in every case read it over to the witness, and satisfy himself that the latter understands it and accepts its contents. A certificate to this effect should be added to the statement and signed by the District Magistrate or other officer recording the statement.

14. Magistrates and others recording statements should add their remarks upon the intelligence and demeanour of the witnesses, stating their impressions of their truthfulness or otherwise and indicating any case in which the narrative told appeared open to doubt or suspicion.

15. All statements when completed will be forwarded to the Secretary to the Government of India in the Army Department.

16. Witnesses in India entitled to travel under military rules will travel on duty to and from the place specified by the District Magistrate or Political Officer. Witnesses in India not entitled to travel under military rules will be the case of Government servants, private travelling witnesses attending to prescribed cases, and private persons will receive free conveyance by rail, river, road, sea and road from the place in which they are residing to the place specified, and for the return journey upon the same route as the Magistrate or Political Officer, who will determine the class of carriage proper in each case.

"1. No person will be deemed qualified who shall not satisfy the Civil Service Commissioners,

(A) That such an honester provision be in a British subject.

(B) That it be (being a British subject) as his father or his mother was not born within His Majesty's Dominions and, at the time of his birth, his father was a British subject or the subject of a State in India, and that each father and in as

entitled to be said his birth a British subject or the subject of such State in India. Provided that a father or subject of any State in India in respect of whom the Government (General) in Council has made a declaration under section 45 & of the Government of India Act, 1910, as amended by section 1 of the Government of India (Amendment) Act, 1912, may be considered eligible."

GENERAL RULES APPLICABLE TO ALL CANDIDATES.

I. A candidate for admission to compete in England for the Indian Civil Service is required before leaving India to obtain a certificate of age and qualification under Regulation 2 (c) signed, should he be a resident in British India, by the Commissioner to Government of the province, or the Commissioner of the division within which his family resides; or, should he reside in a Native State, by the highest Political officer accredited to the State in which his family resides.

NOTE.—In the case of a candidate who has resided in England without obtaining a certificate, the certificate may be granted in his father or grandfather, provided that the latter produce the requisite evidence, and when making the appropriate return, when the candidate went to England, and when he has been residing during his life in that country.

II. In order to obtain a certificate a candidate is required, if resident in British India, to pass the date and place of his birth and his qualifications under Regulation 2 (c) before the Magistrate of the District in which his family resides, or, if resident in a Native State, before the Political officer of the State in which his family resides.

III. A candidate must, if resident in British India, signify to the Secretary to Government of the province, or the Commissioner of the district in which he family resides, his desire to compete, not less than three months before the date on which he proposes to go to England. If resident within a Native State, he must signify his desire in the manner to the highest Political officer accredited to the State within which his family resides. The officer to whom the application is made shall forward it in the proper form to the Magistrate of the District or Political officer of the State in which the applicant's family resides.

IV. The Magistrate or Political officer to whom such application has been forwarded shall call upon the candidate to appear and give evidence of the date and place of his birth and of his qualifications under Regulation 2 (c) within one month. He will carefully examine into the value of the evidence given, and forward a summary of it, with certified copies of all documents furnished, and his comments and opinion, to the officer who forwarded the application to him. In the margin.

V. The documentary evidence which a candidate may be expected to produce comprises—

(a) The birth certificate.

(b) Family books.

(c) Trademark's ancient books showing names relating to the birth.

(d) The record of admission to the register of the school in which the candidate was educated, and the record of the candidate's age at various periodical school examinations.

(e) If the candidate is uneducated, a certified copy of his application to the Magistrate in Form A.

If the testimony of persons acquainted with the candidate's family or otherwise able to give relevant evidence will also be taken; and the candidate is required to comply, to the best of his power, with any requisition the Magistrate or Political officer, as the case may be, may make in order to clear up any doubt as to the propriety of the documentary proof.

VI. Any endorsement of age made after the application of these rules on the contents of existing admission to any university examination, educational institution, or Government office, or otherwise recorded in a formal and deliberate manner, will be taken as conclusive evidence in support of the subsequent evidence by the same person that he is of different age to that so declared or recorded.

RULES IN APPLY TO CANDIDATES DESIRING TO JOIN THE MAJESTY'S DOMINIONS.

VII. Where the date and place of birth have been formally registered in a register kept by any public office in British India, an extract from the register duly certified by the proper official shall be accepted as sufficient proof of the date and place of the birth.

VIII. In the case of a candidate who and whose father and mother were born in His Majesty's Dominions—

If the Secretary to Government, Commissioner of a Division, or the highest Political officer accredited to the State, as the case may be, is satisfied by the papers submitted, he will issue a certificate in the following form setting out the nature of the evidence produced by the candidate:—

I hereby certify that who is a candidate for the Indian Civil Service, has submitted the proofs of his birth detailed below * and has satisfactorily shown that he was actually born on or about the date stated, viz, the day of 19, at a place within His Majesty's Dominions.

Neither his father nor his mother was born within His Majesty's Dominions.

* (Here enter details.)

IX. In the case of a candidate who, as whose father, or mother, was not born within His Majesty's Dominions (including candidates who are subjects of Native States)—

If the Secretary to Government, Commissioner of a Division, or the highest Political officer accredited to the State, as the case may be, is satisfied by the papers submitted, he will issue a certificate in the following form setting out the nature of the evidence produced by the candidate:—

I hereby certify that who is a candidate for the Indian Civil Service, has submitted the proofs of his birth detailed below: and has satisfactorily shown that he was actually born on or about

the date stated, viz., the day of _____ 19____, and further, having
 2. Stated as required: _____
 was born outside His
 Majesty's Dominions, I hereby certify that his father was at the time of his birth a subject of _____
 and that such father
 3. Stated as required: _____
 remained to be his father's subject of _____ State in India.

† (Here state details.)

X. If the Secretary to Government, Commissioner of a division, or the highest Political officer accredited to the State, as the case may be, finds reason to believe that the evidence brought forward is not such as to justify the grant of a certificate in the form set out in Rule VIII or Rule IX above, the certificate will be refused and the candidate will be unable to change admission in the Competitive Examination for the Indian Civil Service.

XI. In the case of a candidate who is a subject of a Native State—

If the Secretary to Government, Commissioner of a division, or the highest Political officer accredited to the State, as the case may be, is satisfied by the proofs submitted that the candidate has stated the date and place of his birth and extremely correctly, he will forward the papers with his observations, including any as to the nationality of the candidate's father and mother, to the Government of India who will consider whether a declaration of eligibility shall, with the approval of the Secretary of State, be issued under section 85-A of the Government of India Act, 1915.

L. DAVIDSON,
Acting Chief Secretary.

(Political.)

PROCLAMATION.

Gulshanabad, October 1, 1915.

N^o. 14.—Whereas Raja Srinam Venkata Rao, Rao Sahib, Hindu Rao Ghosapada Mamabhatnagar Sompoti, Jaghirdar of Sander, has by persistent extravagance involved himself deeply in debt:

And has, after repeated requests, failed to furnish the Governor of Port St. George in Council with a correct and complete statement of his debts or to take steps to liquidate them:

And has persistently disregarded the advice, the remonstrances and the warnings of the Governor of Port St. George in Council:

And whereas instances of oppression of his subjects and other misconduct have come to the notice of the Governor of Port St. George in Council:

And whereas it is provided by the terms of the deed granted in 1826 by the Governor in Council of Port St. George to Siva Rao Ghosapade, first Jaghirdar of Sander, and confirmed in the name of Raja Venkata Rao Ghosapade, that the Jaghirdar of Sander is amenable to the British Government for the good government of the said jaghir and that if ever it should happen that in consequence of misgovernment the interposition of the Paramount Power should become necessary, the Governor in Council of Port St. George will, in such case, take such measures as may appear just and proper for restoring order and providing for the security of the people:

The Governor of Port St. George in Council considering that the misgovernment of Raja Venkata Rao Ghosapade should be stayed and further injury to the jaghir prevented, accordingly under the terms of the deed of 1826 and in virtue of the responsibility of the British Government towards the people of the jaghir, hereby declares that the said Raja Venkata Rao Ghosapade is removed temporarily from the direct administration of the said jaghir, which is assumed by the Governor of Port St. George in Council. This decision will have effect from the 1st October 1915.

During the period for which the powers of direct administration are withdrawn the said Raja Venkata Rao Ghosapade will be granted from the resources of the jaghir such allowance for his personal maintenance and expenditure as the Governor in Council may from time to time determine.

L. DAVIDSON,
Acting Chief Secretary.

RESULTS

Palat, die 12th January 1914.

2004-2005

REMARKS.—In pursuance of the notice contained in the Notification of the Government of India in the Home Department, No. 2812-1912, dated the 29th December 1909, the Government-General in Council is pleased to issue the following instructions with regard to candidates of descent.

3. Every nation of India who acknowledges possessing soil of India in foreign countries is strongly urged to identify itself with an authoritative certificate of identity, in the form specified in the Enclosure, signed by the head of the Nation (in a Presidency State and in the towns of Bangalore, the Commissioner of Police) in the case of countries of British India, and by the Minister (higher in rank than the Secretary of State) in the case of a foreign country. The certificate should be signed by the head of the Government of India and countersigned by the British Consul (in a Presidency State) and in the towns of Bangalore, the Commissioner of Police or Political Officer.

Appeals for assistance by destitute Indians who desire repatriation and by students who, owing to maladjusted circumstances, are unable to complete their course of education should be dealt with as the most easy one.

LAMARCA FITZROY.

No. 3095.—The following War Trade Department lists, dated the 21st June 1918, of goods, the export of which from the United Kingdom is prohibited or restricted, is published for general information :—

WAR TRADE DEPARTMENT,
4, CENTRAL BUILDINGS,
WINDMILL, S.W. 1,
21st June 1918.

* List of goods the export of which is prohibited by the Royal Proclamation of the 12th May 1917, as amended by Orders of Council of the 22nd June 1917, the 12th July 1917, the 24th August 1917, the 28th August 1917, the 28th October 1917, the 27th November 1917, the 10th December 1917,

* This list contains all articles included by the War Trade Department prior to 11th June 1918.

the 22nd January 1916, the 9th February 1916, the 24th February 1916, the 9th March 1916, the 12th April 1916, the 16th April 1916 and the 14th May 1916, and the 12th June 1916 to be exported from the United Kingdom to the following Destinations, viz.:-

Goods marked (A) to all Destinations;

Goods marked (B) to all Ports and Destinations Abroad other than Ports and Destinations in British Possessions and Protectorates;

Goods marked (C) to all Destinations in European and Asiatic States and in other Foreign Countries in Europe and on the Mediterranean, except France and French Possessions, Italy and Italian Possessions, Spain and Portugal, and to all Ports in any such Foreign Countries.

The dates appended to various prohibitions are those of Orders of Council imposing or amending such prohibitions since the Royal Proclamation of 10th May 1916. Where no date appears it may be assumed that the prohibition stands as it did on the 10th May 1916.

List E.—Goods specially prohibited by Royal Proclamations of the 10th March 1907, as amended by Orders of Council of the 16th August 1907 and the 7th November 1907, to be exported to Switzerland. The goods on this list are comparable to the *Marchés Suisses de Commerce Économique*. It must be understood, however, that all goods mentioned in the General List, are prohibited to be exported to Switzerland whether mentioned in List E or not. Goods mentioned in the General List but not in List E are not comparable to the *Marchés Suisses de Commerce Économique*.

List F.—Goods specially prohibited by Royal Proclamations of the 10th September 1907 to be exported to Norway, Sweden, Denmark and Finland.

Orders of Council issued subsequently to the date of this list are published in the "Board of Trade Journal," which may be obtained either directly or through any bookseller from the undersigned Secretary of S.E. Customs Office:—

London: Imperial House, Kingsway, W.C.2.

Glasgow: 1, St. Andrew's Greenway.

Manchester: 47, Peter Street.

Edinburgh: 23, North Street.

or from Messrs. E. Fennell, Ltd., 105, Grafton Street, Dublin.

The attention of exporters is drawn to the fact that various articles marked B or C may, in view of the percentage of copper contained in them, be subject to the Copper Prohibition (List A). (See "Copper.")

Applications must therefore be made to the War Trade Department for license to export goods which fall within the aforementioned copper prohibition on account of the quantity of copper contained therein. Such applications should always indicate clearly the actual quantity of copper and/or copper alloys the goods contain.

DEPARTMENT OF COMMERCE AND INDUSTRY.

IMPORTATION DUTY.

Saudi, 10th September 1918.

No. 5028.—The following Royal Proclamation is published for general information:—

By the King.

A. TRIGLA MATTON

FOR PROHIBITING THE IMPORTATION OF CIGARETTES AND CIGARS INTO THE UNITED KINGDOM.

Whereas H.M.

Whereas by Section forty-three of the Customs Consolidation Act, 1869, it is provided that the importation of arms, ammunition, gunpowder or any other goods may be prohibited by Proclamation:

And whereas it is expedient that the importation into the United Kingdom of arms or of opium should be prohibited except as hereinafter provided:—

Now, therefore, We, by and with the advice of Our Privy Council in pursuance of the said Act and of all other powers enabling Us in that behalf, do hereby proclaim, enact and enjoin as follows:—

As from and after this date, subject as hereinafter provided, all arms and all opium shall be prohibited to be imported into the United Kingdom:

Provided always, and We hereby declare, that nothing in this Proclamation shall apply to arms or opium imported under the licence of one of Our Principal Secretaries of State and in accordance with the provisions of such licence.

The word "arms" includes weapons, and any substance, whether preparation, admixture, or solid or otherwise, containing it in any form (one part in a thousand) or made of wood, or metal, or any other material or substance.

The word "opium" means raw opium, powdered or granulated, opium, or opium prepared for smoking, and includes any solid or semi-solid mixture containing opium.

The Customs and Opium (Prohibition of Import) No. 2 Proclamation, 1918, is hereby revoked.

This Proclamation may be cited as The Customs and Opium (Prohibition of Import) No. 3 Proclamation, 1918.

Given at Our Court at Buckingham Palace, this twenty-fifth day of June, in the year of our Lord One thousand nine hundred and eighteen, and in the Ninth year of Our Reign.

GEO. HAYES THE KING.

COMMENCE—WAR.

Saudi, 10th September 1918.

based on private employers. The staff of the college consists of a Principal, an Assistant Principal, three lecturers, two assistant lecturers and a subordinate establishment. The responsibility for the discipline and management of the college is vested in the Principal who is under the control of Government in the Revenue Department. Fee charged and other facilities are adjusted to meet the economic requirements of students, particularly the diploma in Veterinary Science. A library, hospital, museum, library, showery, first aid and students' hostel are attached to the college.

2. Candidates are eligible for admission without distinction of caste or nationality. They must not be under 16 years of age at the commencement of the term for which admission to the college is desired. In ordinary circumstances, no person over 32 years of age will be admitted as a new student. Students are admitted to the college by selection which will be made by the Principal. Applications for admission should be made in writing in the prescribed form printed at the end, and may be submitted up to month the Principal will later than the 31st December of each year and should be accompanied by the following certificates:—

- (a) of age,
- (b) of physical fitness and moral character.

(c) that the applicant has passed the Matriculation Examination of an Indian University under the old regulations so that he has obtained 55 per cent of marks in English and 75 per cent in other subjects in the School Final Examination, except in the case of Europeans and Europeans who may be admitted, though exempted, on the basis of the Principal. In the case of Mohammedan students, 50 per cent of marks in English and 25 per cent in Mathematics and a Varsanah in the School Final Examination will be accepted as sufficient for admission.

3. In the event of a candidate being selected, he will be served with a special order informing him of the particular day and hour when and the place at which he should present himself for personal selection. Candidates when admitted will be considered to be on probation for the first two months of the course and may be removed if found to be unsatisfactory.

4. Course and study and apparatus of instruction.—The course of study for the diploma ordinarily extends over three years. The students of each year's course form a separate class. The number of students in each class is ordinarily limited to 25. Government have temporarily raised this number to 40 for five years commencing from 1918. Provision has been made to another in made with reference to the results of the internal examinations. A student who fails in the class examination for two consecutive years shall be removed from the college.

The curriculum of instruction is as follows:—

(1) First year—

- (1) Anatomy (up to Arthrology), (2) Elementary Chemistry, (3) Elementary Botany;
- (4) Microscopical, (5) Handling of animals, (6) Pharmacy (Theoretical and Practical).

During this year students are given practical instruction in naming, drawing, handling, cutting and suturing animals as well as in the use of the instruments and appliances used in ordinary practice.

(2) Second year—

- (1) Anatomy (the whole, including Comparative Anatomy), (2) Physiology, (3) Hygiene (Handling, Breeding and Rearing), (4) Principles of Horse surgery, (5) Therapeutic Veterinary Medicine and Surgery, (6) General anatomy and instruction in the use of instruments and appliances.

During this year students are required to attend hospital practice and receive clinical instruction. They are also required to attend at the Surgery and Pharmacy, to carry out dissections and to perform operations on the dead subjects.

(3) Third year—

- (1) Veterinary Medicine, (2) Veterinary Surgery, (3) Diseases of dogs, (4) Operative Surgery, (5) Therapeutics (including the subject), (6) Meat and milk inspection, (7) Examination of bones and appling of dissected animals.

During this year students are required to perform the duties of clinical clerks and doctors, to perform operations on dead subjects, and afterwards on living animals, to conduct post-mortem examinations and generally to carry out practically all the duties appertaining to their profession. Students who hold the diploma in Agriculture are not required to attend the first year's course at study, but are admitted in the subjects of both the first and second year courses at the end of their first year of attendance at the Veterinary College.

Students who have passed in Chemistry or Botany in the Intermediate or B.A. Examination need not attend the course in Elementary Chemistry or Botany, as the same may be in the Veterinary College.

All students are required to undergo a course of equitation and gymnastics. A student who fails himself without leave from a lecture or from a practical gymnastics or riding class is liable to be fined.

5. The fee shall be fixed to all students who execute an agreement binding themselves to serve Government for five years, if required, after completing their course in the college satisfactorily. All others will be required to pay tuition fees in advance of each term at the rate of Rs. 400 per annum. A fee of Rs. 2 per term is also payable by each student, whether free or paying, to meet the cost of books.

6. Government will award after thirty scholarships in each class annually, two of the monthly value of Rs. 10 each, which will be awarded for goodness of a University person or those who have taken a degree degree, and the remaining twenty-eight of the monthly value of Rs. 10 each, but they cannot be given to students who are members of any other body, if necessary. The number of scholarships is Rs. 20 per annum has been temporarily raised from 18 to 20 for the first year commencing from 1918. Two out of the 20 scholarships will be awarded for Mohammedan students. Scholarships in the first year will be awarded by the Principal on the results of the first three monthly examinations. Scholarships in the second and third years are ordinarily allotted on the results of the monthly examinations. A student already in the possession of a scholarship from a local body or a private person is not eligible for a Government scholarship. All students are considered as the good behaviour of the college. Students who are in the enjoyment of the Government Scholarship are required to return the amount which they have received as stipends and also to pay tuition fees at the rate of Rs. 400 per annum, if they leave the college without service or are expelled for misconduct.

2. *Term and fees.*—Each year now prices two terms—spring session from January to March and an autumn session from July to December. Tables of the times and subjects of lectures to which both students and graduates should adhere will be posted on the notice board at the commencement of each term.

3. *Functions and holidays.*—(1) In addition to the miscellaneous public holidays, the students are allowed the following vacations and holidays:—

Midwinter vacation (three weeks),

Midsummer holiday (one week),

Christmas and Easter holidays (combined).

Students are required to attend hospital cases in town during vacations.

(2) Leave of absence is granted by the Principal only. Scholarship-holders may, at the discretion of the Principal, be granted casual leave, with allowance, for not more than five days at a time at any time in the year, but no casual leave will be granted in continuation of other holidays with allowance. Any further leave to scholarship-holders except sick leave for a month will be subject to approval of the Principal. Leave of absence in such case of scholars will be recognized only on the production of a certificate from a duly qualified medical practitioner.

4. *Examinations.*—Examinations are conducted easily and are held annually in December in all the classes. For admission to the examination candidates must have studied at the college for not less than a year in the preceding year, and must have attended at least three-fourths of the year's lectures and have done practical work in their respective classes.

5. *Diplomas and certificates.*—A diploma as graduate in Veterinary Science is awarded to students who have gone through the full course of three years' study at the college and have passed the final examination.

Each of the students as are elected clinical clerks and practitioners and perform their duties satisfactorily are, in addition, awarded special certificates on passing the final examination.

6. *Accommodation.*—The hostel attached to the college provides accommodation for 40 students. Students are at liberty to make their own arrangements as to their board and lodging. A monthly rent of Rs. 2 for a single room in the new extension and Rs. 3 for a single room and Rs. 12 for a double room (i.e., a room accommodating two students), in the old block will be charged to each student who elects to take up his lodging in the college hostel.

7. *Prospect of students who give out of the college.*—Graduates of the college are eligible for appointment in the following posts in the Government and subordinate service of the Civil Veterinary Department in the Indian Presidency:—

	20

Please send, every 15 A.M. to 5 P.M.; BETWEEN, 11 A.M. to 1 P.M.

All communications relating to applications for patents and for registration of designs under the Indian Patents and Designs Act (LI of 1911), or in continuation of applications under the *Provisions and Designs Act (V of 1910)* should be addressed to the Controller of Patents and Designs, 1, Council House Street, Calcutta. Documents sent by post should be carefully posted.

2. *Documents for the guidance of inventors and others are given in the Patent Office Handbook (price one rupee) which contains the Indian Patents and Designs Act, 1911, the Indian Patents and Designs Rules, 1912, the Indian Patents and Designs (Temporary Rules) Act, 1915, the Indian Patents and Designs (Temporary) Rules, 1915, together with several regulations and instructions. These should be consulted before an application is made to the Controller.*

3. *Notes.*—The Patent Office cannot undertake (1) to give opinions on the interpretation of Patent Law, or on the advisability of producing inventions and designs or on their infringement; (2) to make searches in regard to information available in the public domain; (3) to recommend any particular Agent; or (4) to assist in the disposal of inventions. Applicants are warned that the Indian Patents and Designs Act, 1911, is in force in British India only, and patents granted under it do not extend to the United Kingdom or any of the British possessions. The International Convention for the Protection of Industrial Property does not include India. The International Telegraphic Convention is contained under the Indian Patents and Designs Act. The International Telegraphic Convention is contained under the Indian Patents and Designs Act. The International Telegraphic Convention is contained under the Indian Patents and Designs Act.

4. *Time and place for and must be received in the Patent Office within the time allowed by the Act.* When cheques are offered in payment of fees, it must be clearly understood that the office cannot hold itself responsible for any delay that may occur in the collection of such on the cheques; any cheques not payable in Calcutta are subject to correction. In cases where it is not possible to have the fees paid at the Patent Office, it is preferable to send them by money-order or postal order payable in Calcutta to the Controller of Patents and Designs, and to advise him that they have been sent. Cheques will not be received in payment of fees.

5. *Trade and property marks and names are not registered and inventions are not patented under the Indian Patents and Designs Act.* There is no provision of law in British India for these regulations. Neither does this Act deal with pictures, photographs, or, for which copyright is obtainable under the Indian Copyright Act, 1914.

6. *Printed specifications of applications, which have been accepted, are published within about three weeks after acceptance has been notified in the Gazette of India.* These specifications can be purchased at the Patent Office at a uniform price of 8 annas per copy, and may be sent free of charge, together with other publications of the Patent Office, at the following places:—

NOTICE OF SALE BY AUCTION OF CERTAIN GOVERNMENT LAND FOR SALT MANUFACTURE IN THE SURGAD SWAMP SITUATED TO THE NORTH OF THE SUMADI EXTENSION OF THE SUGRA FACTORY.

Notice is hereby given that 100 acres of land suitable for salt manufacture will be sold by auction by the Assistant Commissioner, Malacca Subdivision, at Port St. George office on Saturday the 19th October 1918 at noon.

1. The total area of 100 acres will be laid out in sections in an entire block.

2. The right to be sold is that of manufacture of salt under the modified canal system with drains and levee thereon.

(a) The lease shall be for a period of 25 years.

(b) The lessee shall execute the canal lease.

(c) All the capital works shall be executed and maintained by the lessee at his own cost.

3. (a) The terms of the lease under which the land is to be conveyed and utilized for salt manufacture are, with the exception of sections 10 thereof, similar to those specified in the draft lease attached to the letter addressed by the Secretary to the Commissioner, Singapore Division, to the Chamberlain, Malacca, and the terms of the license under which salt shall be manufactured in the area sold are those of the license specified in clause 4 of the aforesaid lease.

(b) The bidding shall be in terms of the proposals of salt, the bidders are willing to make a rent to Government, the bid amount to be paid thereby being at such rate as may be decided by the Commissioner and which shall not be less than that prevailing in the market existing presently or at any time hereafter.

4. The purchaser will be required to commence the work of forming the canals, drains, and levees, and laying out the beds in the areas purchased by him as soon as weather permits and to commence the work specified in clause 16 of the said lease as soon as they may be required to do so and to complete both the laying out of the canals, drains, etc., and all the works specified in clause 16 of the aforesaid lease without any delay.

5. Copy of the lease referred to in paragraph 3 of this notice and a plan of the area referred to in paragraph 3 may be seen on application at the office of the Inspector of Salt and Alkali Department, Port Ceylon, between the hours 10 a.m. and 5 p.m. on working days and any information required may be obtained there.

6. A deposit of Rs. 500 must be made by every intending bidder prior to bidding.

7. No person will be allowed to bid for another unless he holds a power of attorney from his authorizing him to do so.

8. The auctioneer may, for valid reasons, refuse to accept any bid and in cases of dispute his decision shall be final. If for any reason the highest bid is rejected the selling officer may at his discretion either accept the next highest bid or commence the auction again.

9. The sale will be subject to formal confirmation by the Board of Revenue, Singapore Division, who may either accept or reject the final bid at its discretion.

10. The deposits made by unsuccessful bidders will be returned to them at once of another.

11. On receipt of notification of the final acceptance of the bid, the successful bidder shall at once commence works in the block as per orders given to him by the Inspector, Port Ceylon. Should he fail to do so, the deposit made by him under condition 6 above will be forfeited to Government and the right would be reserved to dispose of as the Board may direct.

12. The purchaser will be required to execute and deliver to the Commissioner a lease in the form specified in condition 4 of this notice and comply therewith.

Vinayagaram, 25th September 1918.

M. G. K. WAITE,
Assistant Commissioner, Malacca Subdivision.

AUCTION SALE OF LAND.

Two existing salt extensions at Idappalli are proposed to be extended to the north and a block of about 100 acres of land will be sold in public auction at Idappalli by the Assistant Commissioner, Malacca, on Thursday the 19th October 1918 at 2 p.m. on the following conditions:—

(a) that the lease shall be for 25 years from 1st January 1919,

(b) that the successful bidder shall accept a modified canal lease and execute a lease in the same terms as the model lease;

(c) that he shall execute and maintain during the period of the lease all the capital works at his own cost.

2. The bidding shall be on the proposals of salt to be made over to Government annually at the rate of halfpence measured for the existing Idappalli extension No. 1.

3. The auction rule shall be subject to confirmation by the Commissioner of Salt, Alkali and Separate Revenue, Malacca.

4. The successful bidder should be prepared to commence operations for the season of 1919, directly he has been notified that his bid has been accepted.

5. Modified canal lease and lease conditions will be available for perusal and inspection at the office of the Inspector of Salt, Idappalli Circle, or Assistant Commissioner, Malacca Subdivision.

6. In years in which the Government proposes to take over salt from the lease concessioners the quantity to be taken over will be given before the 1st of January. The quantity so taken will not exceed the proportion agreed to in the bid accepted and bid amount shall be paid at the rate fixed for the existing extension.

7. Each bidder should deposit Rs. 500 before the auction begins. The deposit of unsuccessful bidders will be returned immediately after the auction. The successful bidder will be required to deposit such further security as the Commissioner may direct on acceptance of the bid. Failure to furnish the entire security within three days will result in forfeiture of deposit money and result of the plot at the risk of the original bidder.

8. The successful bidder should furnish the selling officer with sufficient proof of his solvency.

Nelloru, 22nd September 1918.

C. F. SHARP,
Assistant Commissioner, Malacca Subdivision.

The Standard Barometer and Thermometer were read at 8 a.m., 12 a.m., 4 p.m., and 8 p.m., and the daily means were obtained by the application of hourly corrections, deduced from twenty years' observations. The column of the barometer is twenty feet above the level of the sea, and the column of the rain gauge is two feet above the ground. The wind, sun and general weather registered are for the current civil day—from midnight to midnight.

The total quantity of rain collected since January 1st is 10.41 inches, the average due for the same period being 15.99 inches.
